- 2) At your request, we can recommend hotels with international standards. If you have special interests (sightseeing, shopping, bars, night club, etc.) let us know. We will make the best recommendation.
- 3) We do not recommend that you travel alone inside of China unless you are with a supervised group, or you have a trusted local to accompany you. It is pretty safe in Hong Kong territory and inside hotels we recommend.
- 4) The food in China can be unfamiliar to Westerners. You may decline trying the food if you feel not comfortable. Your factory host will encourage you to try the food. Follow your feeling, it is acceptable to decline. If you like adventure, you will enjoy the food.
